

Privacy Policy

The CanopyCapture app is available as a free app and is intended for use as is.

This page is used to provide information regarding policies on the collection, use, and disclosure of personal information to users of the app.

CanopyCapture does not collect any personal information from the user. The images captured through the app are retained on the user's device and are not collected or stored by the app.

Users have the option of using Google Forms to provide feedback, images and/or contact information to troubleshoot issues with the App. This data is used solely for the purpose stated and not shared without the user's permission. The App also uses a third-party SDK, Apache Cordova.

No representations are made regarding the Privacy Policies for Apache Cordova or Google Forms.

Changes to This Privacy Policy

This Privacy Policy may be updated from time to time. You are advised to check this page periodically for any changes. Changes are effective immediately after they are posted on this page.
